RE: EVALUATION OF 188 OLD MILL ROAD, PORT SEVERN

In accordance with your request, I have made an evaluation of the current market value of the above-described property as of November 5, 2026.

"Market Value" as defined by the Appraisal Institute of Canada is the most probable price, as of a specified date, in cash, or in terms equivalent to cash, or in other precisely revealed terms, for which the specified property rights should sell after reasonable exposure in a competitive market under all conditions requisite to a fair sale, with the buyer and seller each acting prudently, knowledgeably, and for self-interest, and assuming that neither is under undue duress.

In submitting this report, I certify that:
1. I have no interest, present or contemplated in the above property
2. My employment for making this evaluation is in no way contingent upon the market value reported.

As a result of the evaluation and analysis of 188 Old Mill Road, Port Severn, it is my opinion that the market value is between $2,000,000 and $2,200,000. This value is based on properties that are both active and have sold in the neighbourhood.

This evaluation is subject to the following limiting conditions:
1. The facts and data used in support of my opinion are the best of my knowledge true and correct.
2. I am not responsible for matters legal in character.
3. The title is assumed to be good.
4. I am not required to give court testimony by reason of this report.

Sincerely,

Jonathan Wallace
